Involvement Leads To Achievement

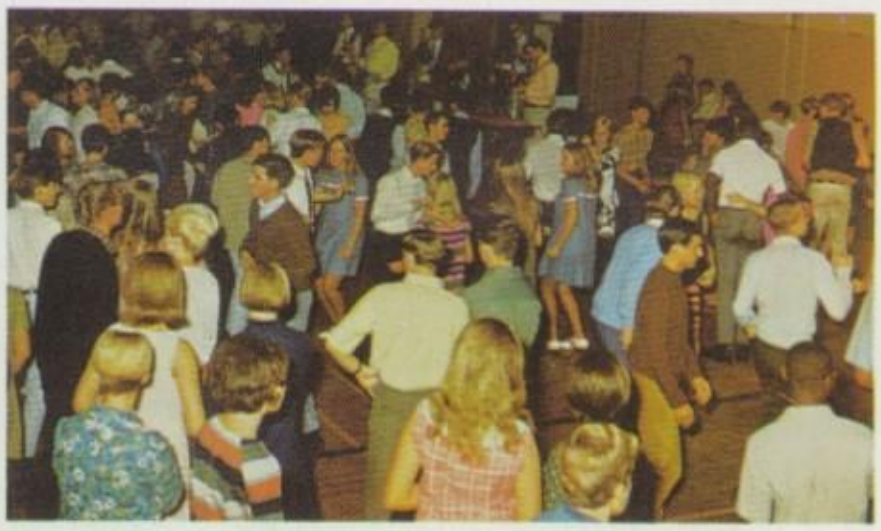
Coach Clinin gives pep talk at Claremont rally.

Spirit was a contagious disease.

Girls' League activities began with the traditional Watermelon Feed.

A year of beginning, change, triumph, defeat, laughs, tears, and frustration began in September. Activities to plan, classes to pass, games to attend and spirit to build were the targets of these emotions. But the more forceful weapons with which we, the students and teachers of Pomona High, met this new year were the excitement of involvement and the incentive to achieve.

Which Engenders Greater Spirit.



The year's beginning was a time for getting acquainted at the Hello Dance.

Ron Stickel races away from an opponent as the Devils defeat Bonita.

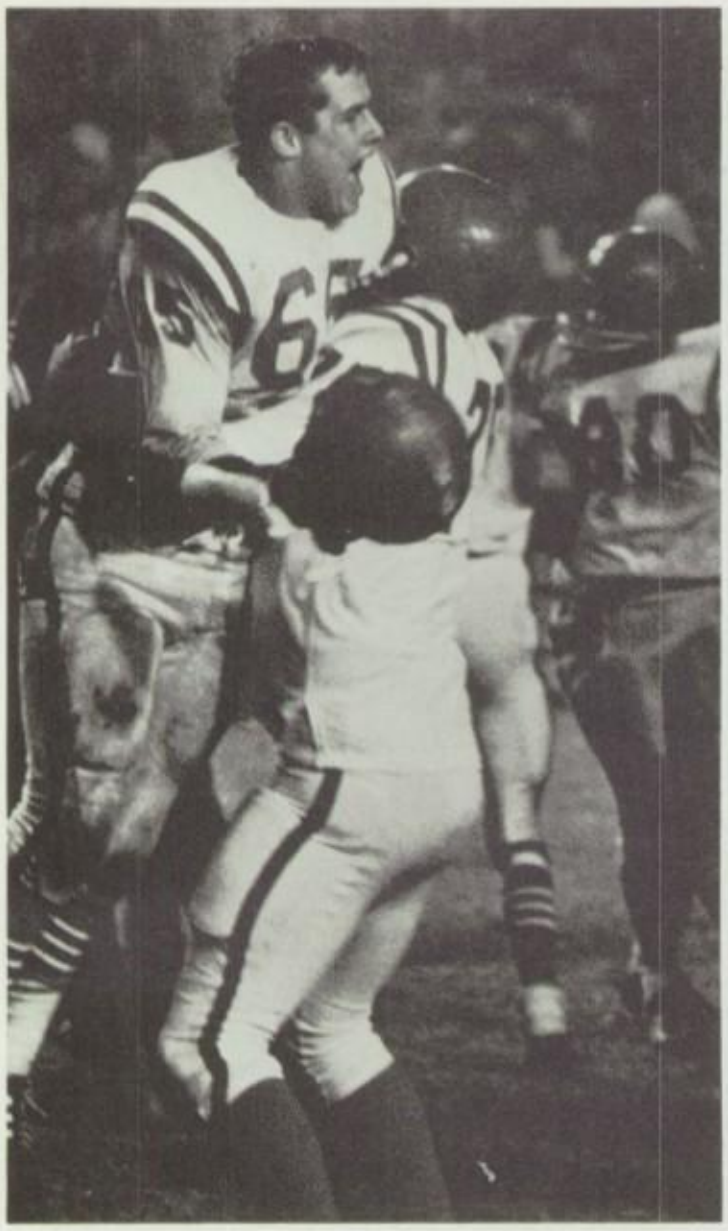
Beginning signs of a change to involvement were marked by our victorious cross country and football teams. Sports, from the year's beginning, came to play a dominant role in student life. Their success was possible only through laborious practices by players and coaches.

A variety of activities was the secret of success.

Jennie St. Clair is one of Pomona High's excellent muscians.

Students aren't the only ones that get bored.

Those first achievements sparked enthusiasm throughout Pomona High. Rallies were more spirited. Posters covered the campus. Our band came out with a great new sound. Even when we were on the threshold of defeat our student body, with a greater encouragement, and our teams, with a greater spirit, were eventually victorious. Enthusiasm resounded throughout all our activities. The Girls' League Watermelon Feed, after game dances, and car caravans were better attended than ever before. Homecoming, Backwards Week, and the Prom were met with greater enthusiasm as more students planned and participated.



Winning never seemed so wonderful.

The "end" of Del King.

Students discuss the merits of cafeteria food.

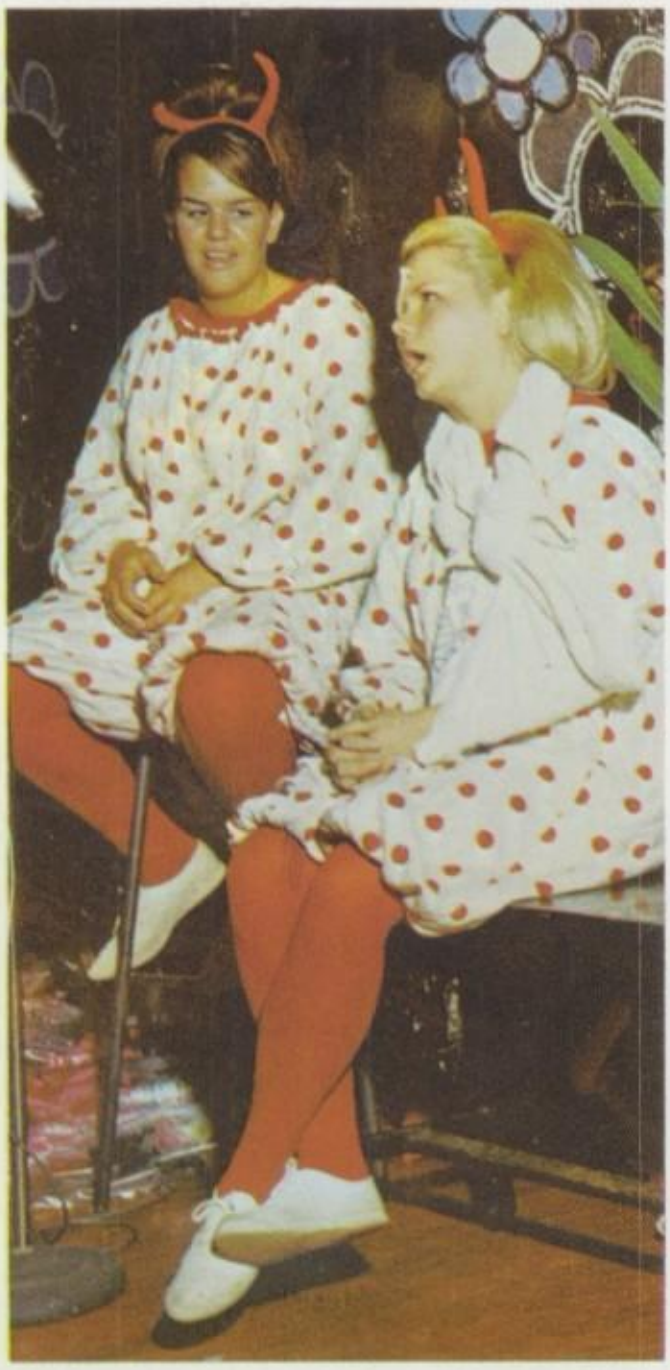
Often handicapped by a limited budget, the Student Council and their committees improvised to make school events memorable for as many as chose to involve themselves. Even those who could not attend an event gained the satisfaction from having planned or participated in its execution. Teachers became more involved during the year, as they were always in attendance at school events and promoted new ideas as club advisors.

Skip Lawson gives Homecoming Rally pep talk.

Tuba player John York was a part of our successful band.

Chamber Singers and A Cappella Choir performed for both the school and the community throughout the year.

Homecoming Court 1967



Mascots, Carol Meisel and Betty Head, added their humorous antics to rallies and games.

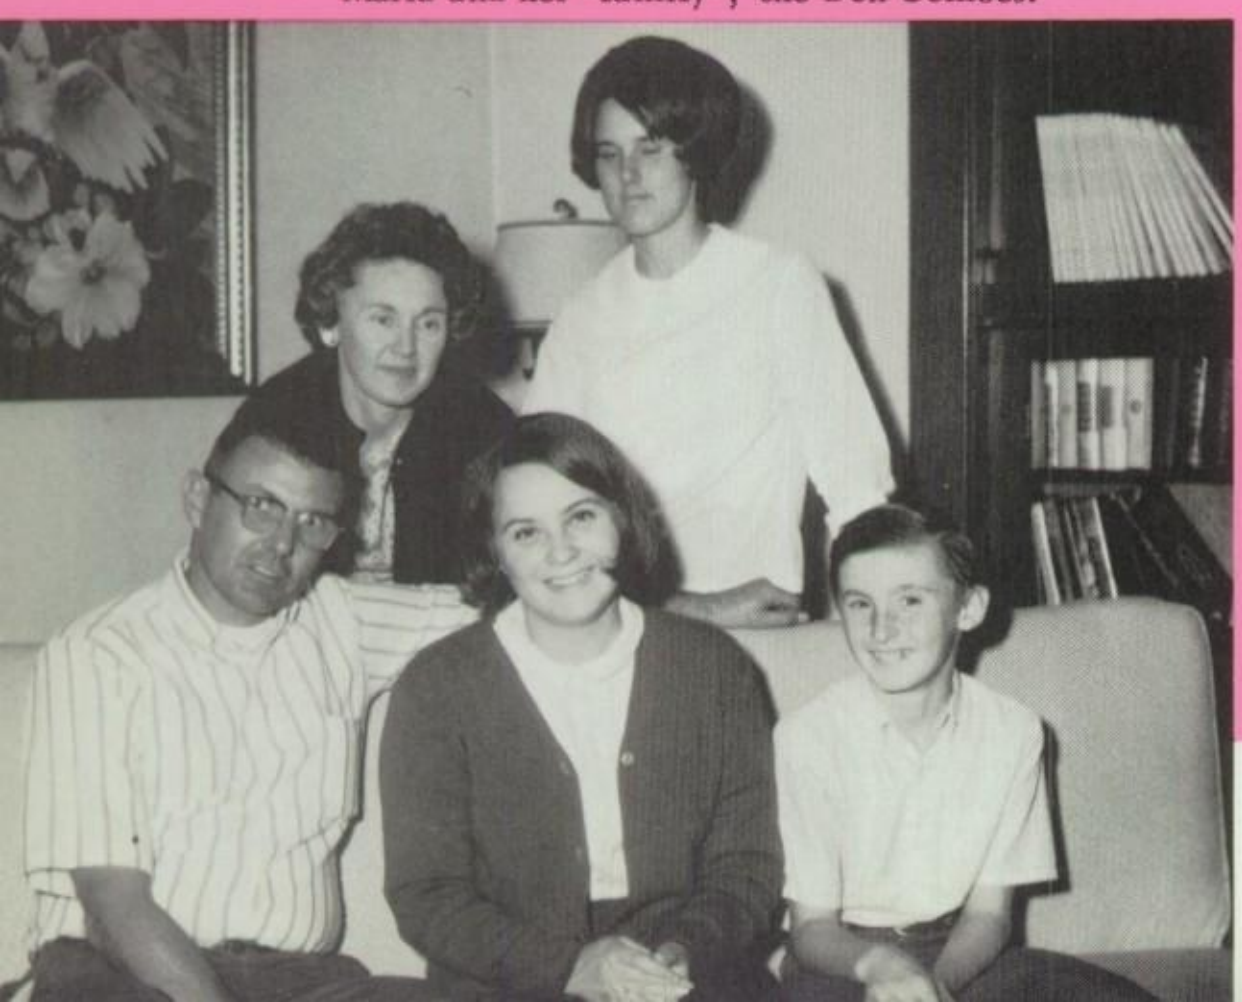
Basketball was part of an enthusiastic winter season of activities.

Involvement Means Better Communication Among Ourselves . . .

Judy Combe's Swiss "family" the Oskar Binzes.

International relations has become of growing importance in today's world. Each year Pomona High actively participates in the promotion of better foreign relations, through A.F.S. week. Last summer Pomona High was fortunate to have senior Judy Combe represent us in Solothurn, Switzerland. Staying with the Oskar Binz family, she enjoyed three months in Switzerland with the people of Solothurn and vacationing in the Alps, later touring the country with other Swiss A.F.S.ers. Spending this past year with Judy and her family was Maria Aveggio from Valparaiso, Chile. In Chile, Maria attended a private Italian school, taking an average of thirteen classes per year. While in Pomona, Maria became active in A.F.S., Ushers, and French Club as well as brightening the campus throughout the year with her friendly smile.

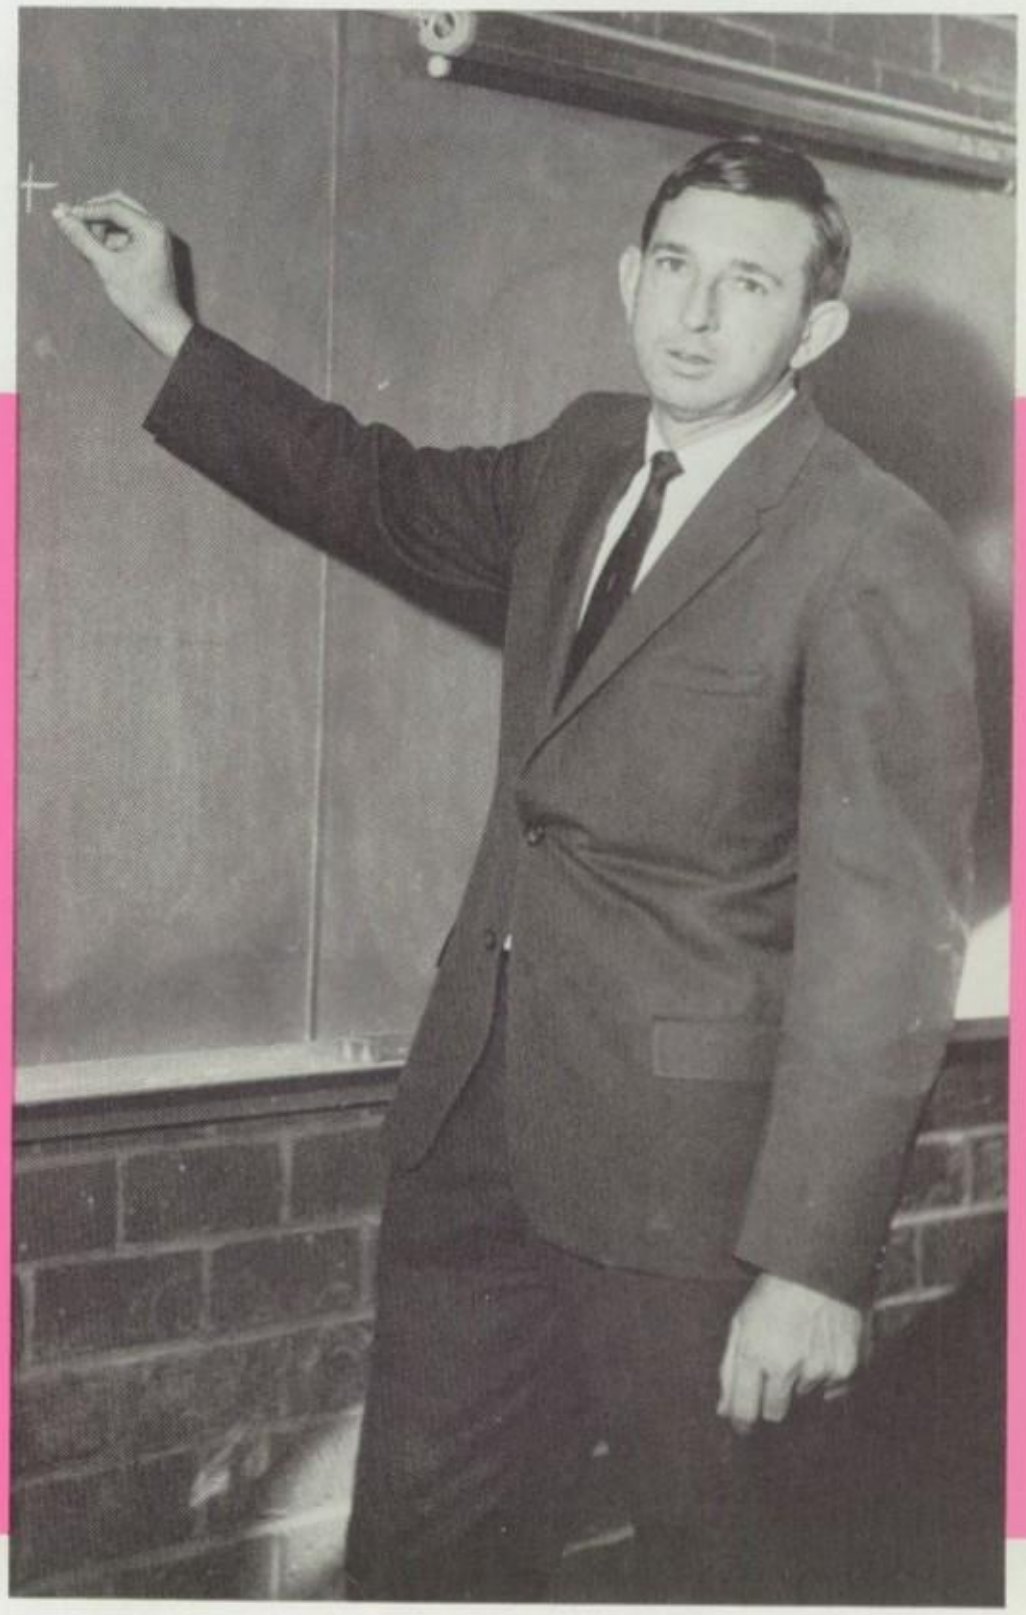
Maria and her "family", the Don Combes.



. . . And With The World.

Inge and her "family", the Dick Swartzels.

Mr. Ebert added his teaching ability and good humor to the faculty this year.



Again this year Pomona High hosted the International Christian Youth Exchange student. Ingeborg "Inge" Piffel from Vienna, Austria, has spent the past year with the Swartzel family in Pomona. School at Pomona High is far different from her school in Austria where she attends six days a week and studies a total of fourteen subjects a year. This year she actively participated in French Club, German Club, and G.A.A.

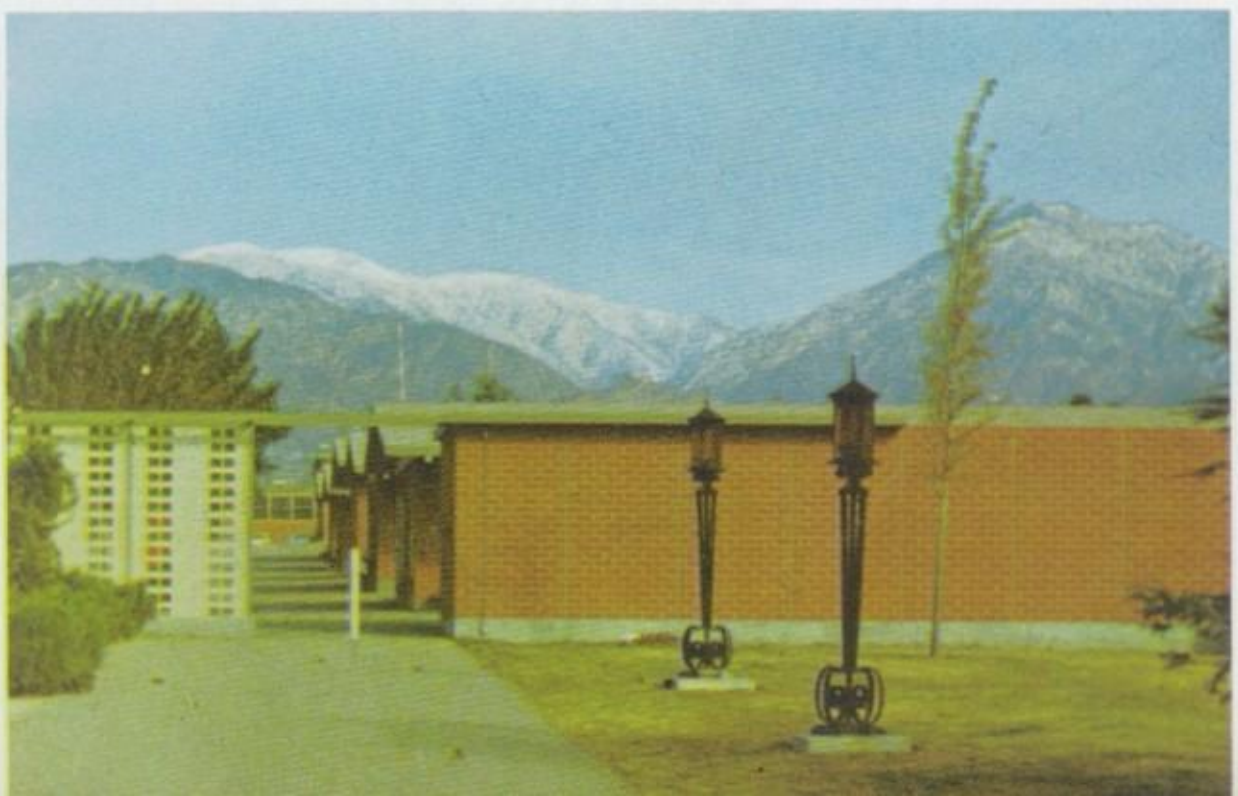
Pomona High also welcomed this year Mr. Alan Ebert, exchange teacher from New South Wales, Australia. Exchanging places with Mr. Donald Wieczorek, Mr. Ebert taught Algebra 2 and Elementary Functions. Adding his wit to these ordinary subjects, Mr. Ebert brightened up math classes considerably this year.

We at Pomona High are grateful to Mr. Ebert, Inge, and Maria for all they have brought to us from their respective countries and we hope that they will return with as much good will as they have given us this year.

Breaks were a time for relaxation and conversation.

Long snack bar lines were one of life's little drawbacks.

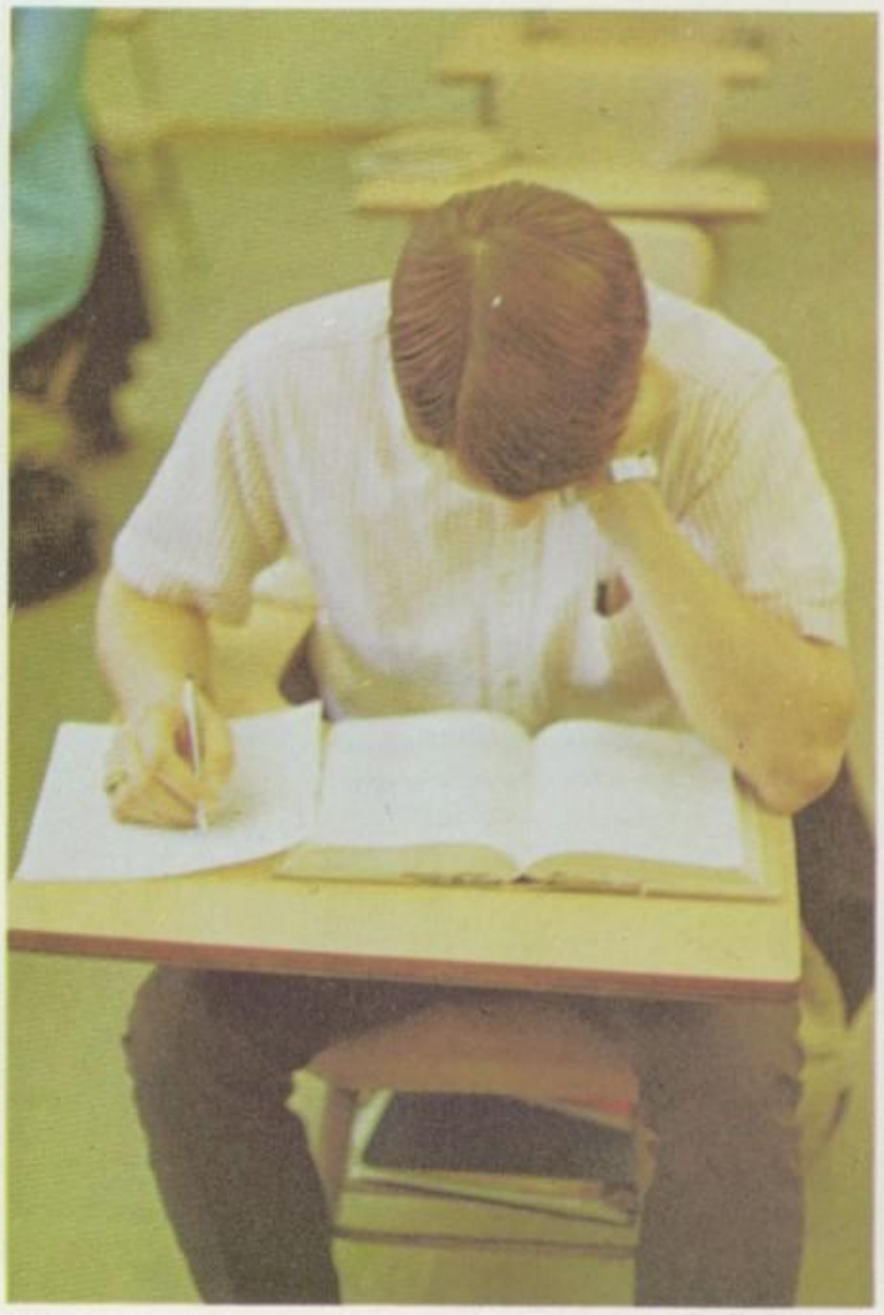
On a clear day you could see for miles.



Did it burn? Girls in Mrs. Nix's homemaking classes learned the way to a man's heart.

The roots of academic achievement were in long, hard study.

One of the biggest and most disturbing challenges that faced Pomona High this year concerned inter-student and human relations. Hours of arguments raged, accusing Student Council of running a non-representative student government. Student Council met its critics with plans for new representative positions on Council and the formation of a student Senate. Open meetings allowed students to voice opinions about existing problems. Efforts were made throughout the school to involve as many interested students as possible. Committees began to encompass a greater cross section of students. Clubs reorganized to meet with student needs. The success of these efforts will not be completely felt for a year or two, but the concern displayed by the entire student body reveals a want and a need for involvement of all students.

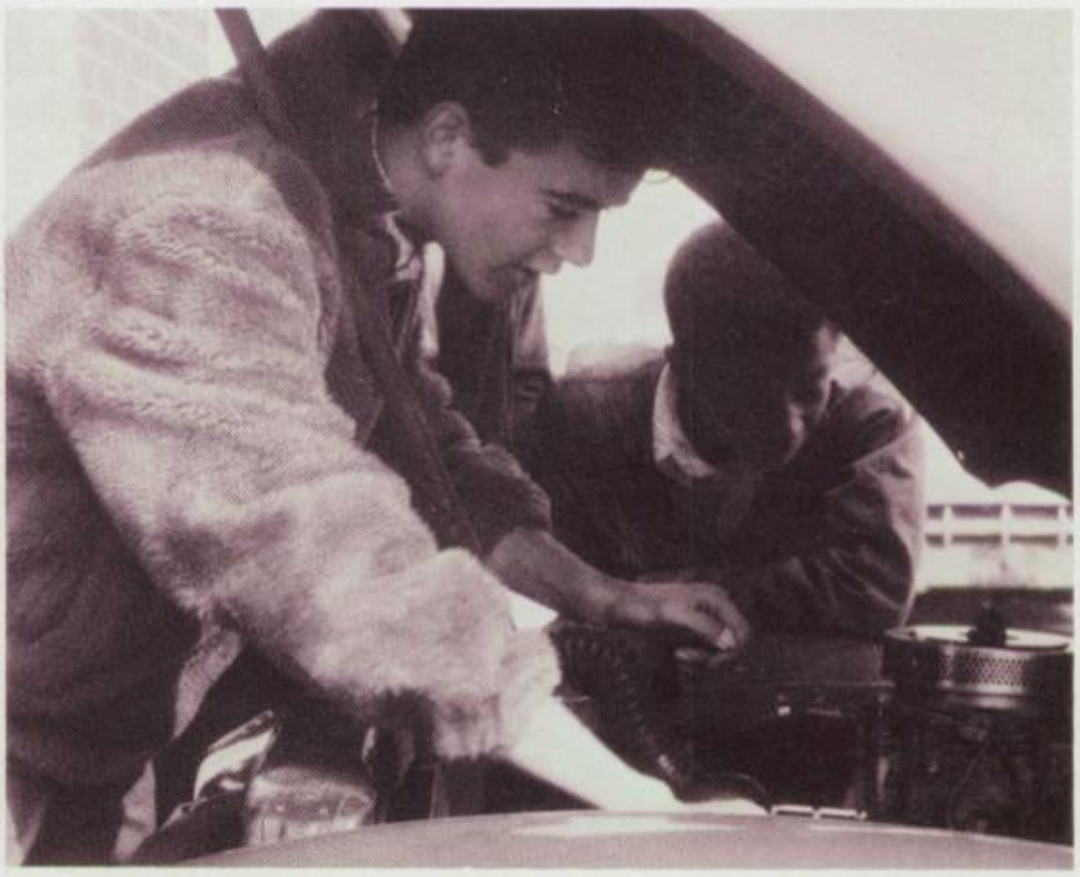


Involvement Holds The Key . . .

The drama department offered us fine productions throughout the year.

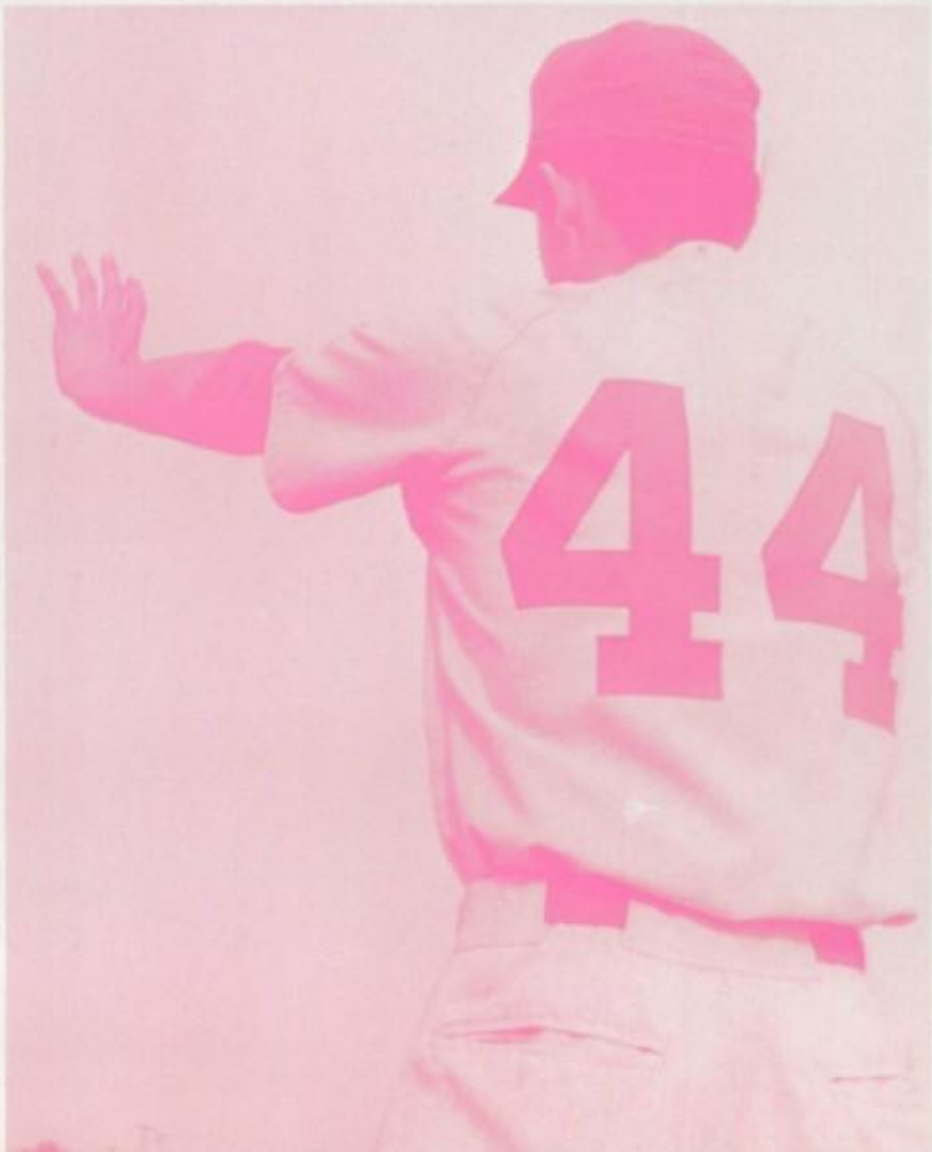
Involved P. H. S. 'ers make posters to incite school spirit.

To An Exciting Present. . .



Sonny Cavazos shows Woody Bailey how it runs.

Among all the activities and the search for representation was the spirit of academic involvement and achievement. Solving the nation's problems, writing term papers, dressmaking, PSAT tests, reading, painting, analyzing and bug collecting were at an all-time high at P.H.S. When the studying, writing and reading were through, testing became the trial of our learning. In debate, music, drama, art, sports, we placed the best fruits of achievement against the best of other schools. Competition sent us further toward goals of perfection. Among ourselves and with others we tasted the pleasures of victory and the sadness of defeat.

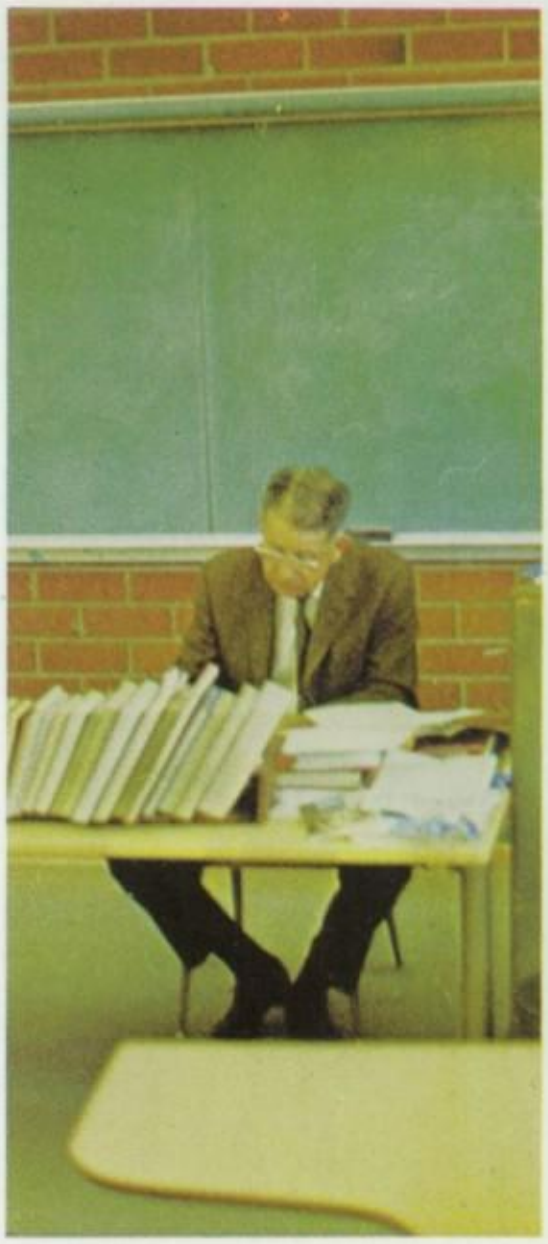


Spring sports were successful and exciting as always.

. . . And Leads To A Future Filled

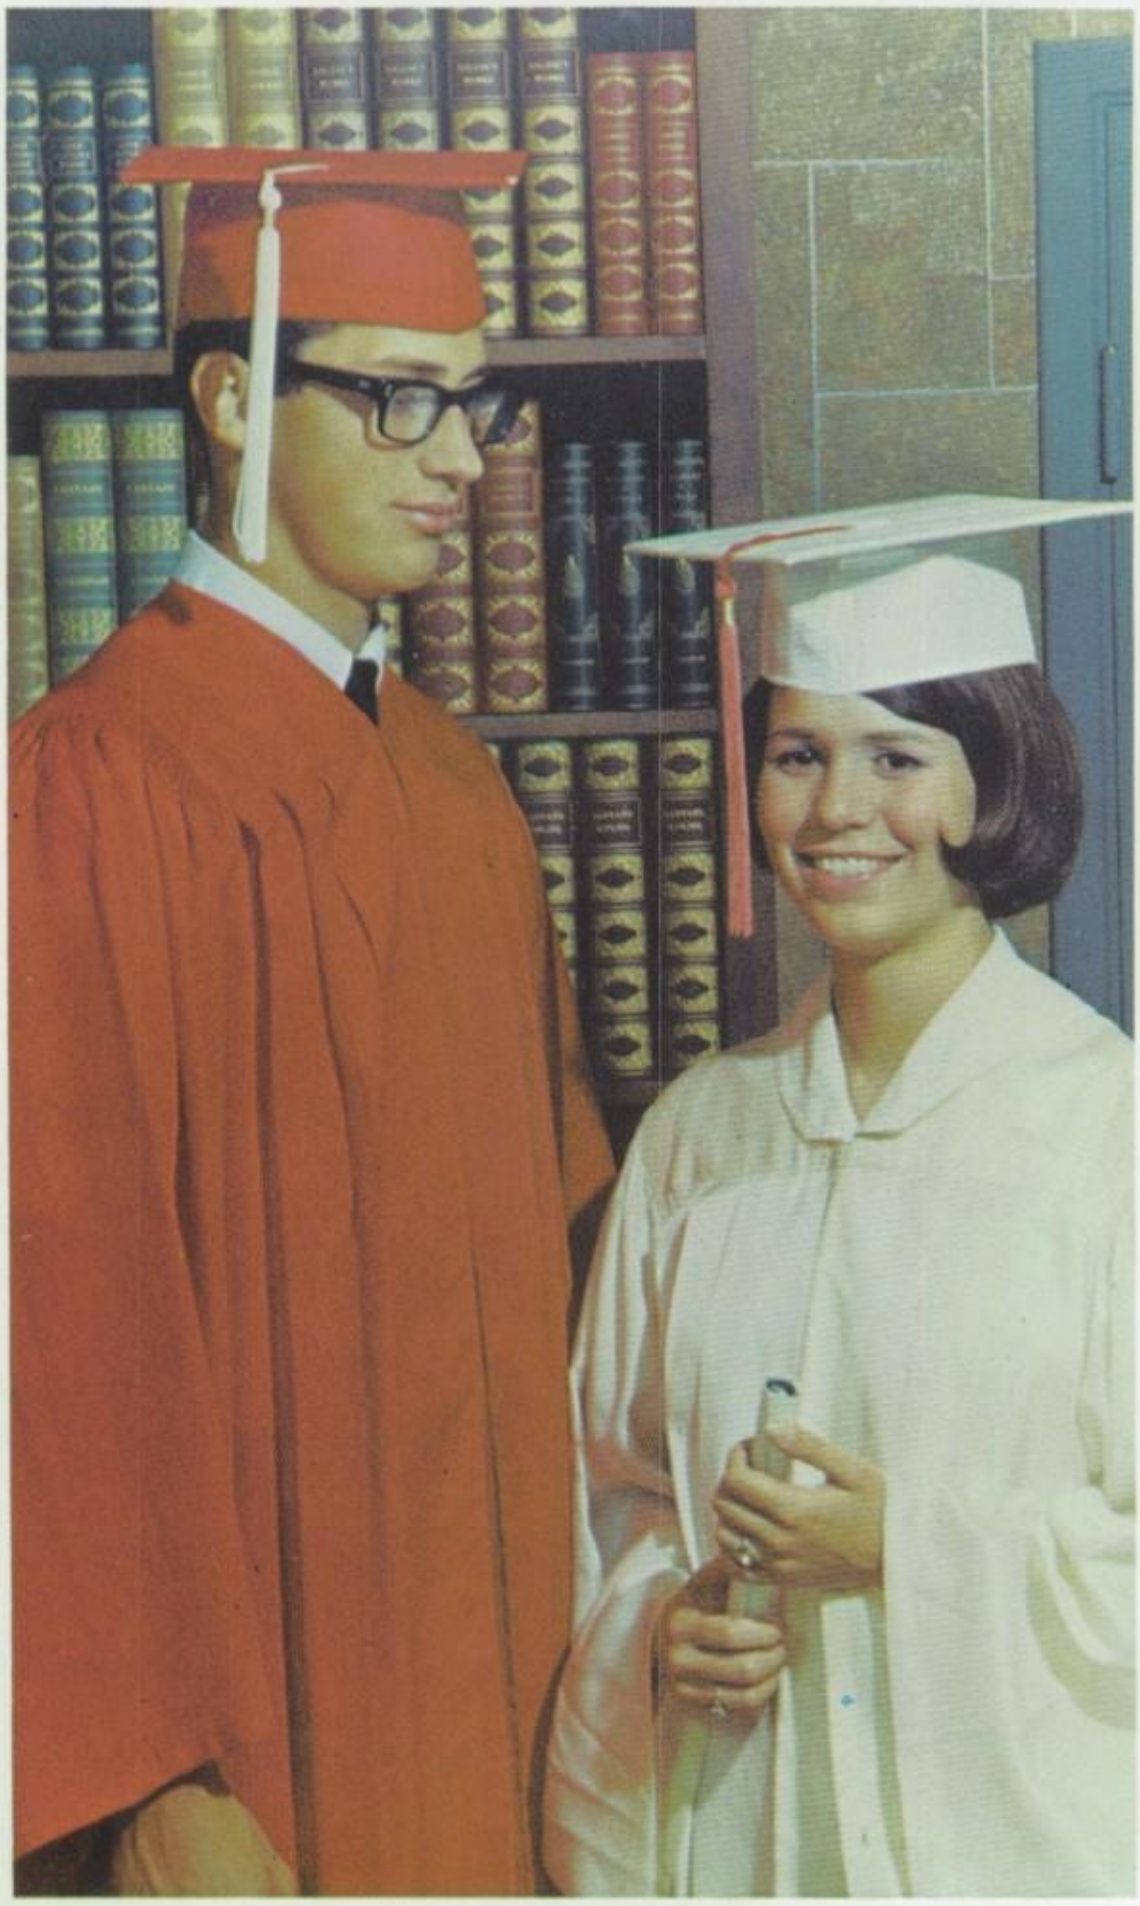
In all areas of this year's school life we have gained from the experience of working together, the excitement of accomplishing something useful for ourselves and our school. This has been a time for spirit, a time for involvement, a time for achievement.

But now is the time for ending. For some, it is just the end of a school year, the time to rest and get refreshed for another. For seniors it is a time for ending the three years of their high school education, the time for graduation to the new. For one person, this year is the ending of a successful career. Mr. Anderson has taught for 26 years, 24 at Pomona High. Teaching German and government, he has also been involved in many student activities as German Club and senior advisor. We are glad for the involvement of Mr. Anderson, the senior class and all those other P.H.S.'ers who are leaving this year, for they have been the spark of our achievement.



With Optimism

Because of strong senior opinion for changed grad-night activities and graduation separate from Ganesha, Pomona High initiated changes in graduation plans. Baccalaureate was held on Sunday, June 9, at the Fair Ground's Grandstand with graduation the following Wednesday evening, June 12, and the all-night party at Disneyland.



I'll never forget the first-day welcoming assemblies that we attended as sophomores and juniors. Both years a leader of the senior class would stand before the assembly and loudly boast, "Seniors, this is our year!"

No one will deny the fact that seniors have a "big" year. Their eagerness and involvement makes that year big. Fellow classmates, if this is the case, then we, the class of 1968, haven't a single year to remember--we have three years at Pomona High to call our own. Certainly we will be remembered as an active and involved class that served as an important starting point for the new spirit and involvement of Pomona High.

They are the ones that we, the student body, hold responsible for the success or failure of an activity, the lag of school spirit, or the lack of money.

This year, Student Council has greatly succeeded, through many hours of dedicated work, in making this year one of involvement for all P.H.S. students. Because they have been involved, we have been involved. Because we all have been involved, we have achieved.

The Impossible Dream

Mr. Allen was chosen 1967 Grand Marshal for the great amount of time he devotes to student activities.

Homecoming 1967 was the "Impossible Dream" come true for many past and present Pomona High students. The traditional alumni tea, sponsored by Girls' League, started off the weekend's activities on October 20. The Grand Marshal, Mr. Allen, was introduced at the rally that followed. Narrator Kathy Griset introduced former P.H.S. rally members and Homecoming Queens as well as recent graduates. Chamber Singers and A Cappella Choir, under the direction of Weldon Moody, presented the theme by singing "The Impossible Dream". Highlighting the rally, Queen Mary Ann Bamber and her court were presented. That night our football team showed who would take the San Antonio League championship by defeating Bonita High 27-6. Completing the Homecoming activities, the traditional dance was held in the gym Saturday night.

Homecoming Semi-finalists were:(row 1) Mary Todd, Janice Hansel, Crystal Burks, (row 2) Gaynell Lovelace, Sue Hope, Kathy Harlacher, and Diane Button

Snow Court Reigns

Queen Gaynell

Queen Gaynell Lovelace and her princesses Janice Hansel, Sally Root, and Rachel Mitchell, reigned over the Christmas Formal which was held December 19.

Taylor Hall, in the city of Claremont, was transformed into a winter wonderland at our annual Christmas Formal. Couples danced to the music of the Vance Roberts Group from 9-12 p.m.

Decorations in reds and greens carried out the theme, "Under the Mistletoe." Red crepe paper ribbons streamed from a large ball of mistletoe in the center of the hall and was attached at the floor to create a cage effect.

A special feature of the dance was an appearance of Santa Claus, alias Coach Jerry Clinnin, who distributed candy canes and good cheer among the guests.

Creative fashions were expertly modeled by senior boys at the mock fashion show.

Backwards Week was highlighted with the coronation of King David Plouff and his princes Rob Ingolia, Vince Lee, Rod Milligan and Ron Stickel. The theme "Bali Hai" combined with music by the Tyrods created an enjoyable atmosphere for all who attended.

Activities during the week provided five fun-filled days for all students. A "Gorgeous Gams Contest" on Monday named David Law as the boy with the shapliest legs. Slave Day on Tuesday and Bermuda Day on Wednesday gave all students a change in daily routines. Wednesday evening several senior boys presented a humorous fashion show in which they modeled feminine attire. Dress-up Day on Friday and the dance Friday night concluded the week which was sponsored by Girls' League.

Slave Day proved to be a pleasant turnabout for the boys.

Outfits of all different styles emerged on Bermuda Day.

Ellen King
A.S.B. Rally Chairman

Planning rallies, overseeing sportsmanship rating, and serving as President of Pep Club and head of the Rally Committee were a few of the duties of the Rally Chairman this year. With the help of the Rally Committee and numerous other volunteers, the rally groups were able to continue the traditional P.H.S. spirit.

Varsity Cheerleaders

This year's energetic group of cheerleaders raised over $100 to buy their own supplies and rally letters instead of receiving the funds from Student Council.

The football team shouldn't forget the party thrown on their behalf after one of the games by this group. Their continual enthusiasm led our teams to a spirited and successful season.

Flag Twirlers

The Band plays, and many stop to watch Pomona High's peppy Flagsters. Their colorful routines and tricks have added much to the games this year. A common sight was their work days when they took time out to make thirty-foot banners, wrap goal posts, and make snacks for visiting rally groups. In the fall, winter, and spring, the Band performed at many parades with the Flag Twirlers, who helped to make each parade a success.

Song Leaders

"On Pomona, on Pomona, fight with might and main," sang the songleaders as they led the crowd in spirited chorus.

This active group of P.H.S. boosters helped promote the unsurpassed spirit we saw this year. Their routines were achieved by hard work which started last summer with a week of camp. Everyone will remember the fluorescent light show with a "VICTORY" spell-out which the songleaders performed at one of the rallies.

SAL Champs Advance

This year the Devil varsity won their first league championship since 1953. Under Coach Jerry "the Bear" Clinnin, the Devils completed a successful season with an overall record of 8-2.

The Devil defense, sparked by PHS's own "fearsome fivesome" of John Caudill, Bill Armstrong, John Daniel, Steve Lehmann and Skip Lawson, proved to be one of the league's strongest. John Caudill led the defense with 49 tackles. Our hog defense was well known for its tough goal-line stands. Members of the hog are: Penn, Lee, Armstrong, Green, Lawson, Lehmann, Caudill, Daniel, Nissen, Walker and Passoth.

The offense also proved to be one of the league's most effective. The quarterbacking of Ron Stickel and Scott Stillinger, combined with the excellent running of Al Sevilla and Larry Hodges, helped lead the team to victory. Larry and Al had rushing totals of 1163 and 950 yards, respectively. Cliff Crusan and Dave Law proved to be outstanding receivers.

It was a down-to-the-wire race for the championship which wasn't decided until our final game with Montclair. Victory over Montclair clinched a co-championship with Ganesha. The prior week, the Devils climaxed their season with a 21-15 win over Upland.

In the first round of CIF playoffs the Devils tasted defeat for only the second time this year. They lost to a strong Foothill High team 21-13.

Green throws the bomb.

Behind the quarterbacking of Don Green, the J.V.'s completed a perfect season of league play with a 7-0 record and an 8-1 overall record. Green found his best target to be Ref Lindmark, who made some outstanding receptions. Under the coaching of Chuck Wood, the J.V.s captured SAL honors.

Bees Rate High In SAL

Sawitz tears up the turf for yardage.

Nickerson evades opposing tackler.

The Bee team, which averaged 23 points ended league play in second place, a half game back of first.

The Imps, equipped with a quick-moving offense and a hard-hitting defense, rounded out the season with a 6-1 record and compiled an overall record of 7-1-1.

Quarterback Larry Eckl, who was at the helm of the offense, combined passing and kicking to make him the offensive leader. Pass receivers Mike Cenoz and Jon Rainbow were the targets for Eckl's passes and Jay Swann averaged one touchdown a game in scoring.

Team captains and defensive leaders, Jack Dennison and Ray Liles, combined with Sam Keller, Dee Joseph, and Danny Horner, to make up the monster defense, which held the opposition to 83 points, an average of 9 a game.

Fine performance by Parker.

Victory was the cry of Coach Don Green's varsity cross country squad. While bringing home Pomona's first cross country championship, the varsity harriers compiled a league record of 7-0 and an overall record of 9-0. Top man was Jerry Edwards who advanced, undefeated, into the CIF finals. Jerry broke Pomona's course record several times with a final best of 9:40.

In Jr. Varsity and Sophomore competition, the team compiled a league record of 4-3 and 2-5, respectively. Overall the J.V.'s record was 6-3 and the Sophs compiled a 3-5-1 record.

Jeff Wilson and Art Cummings also set course records. Jeff ran a fine 10:25 for the J.V. record and Art set the Soph record at 10:40.

Strawn shows fine form.

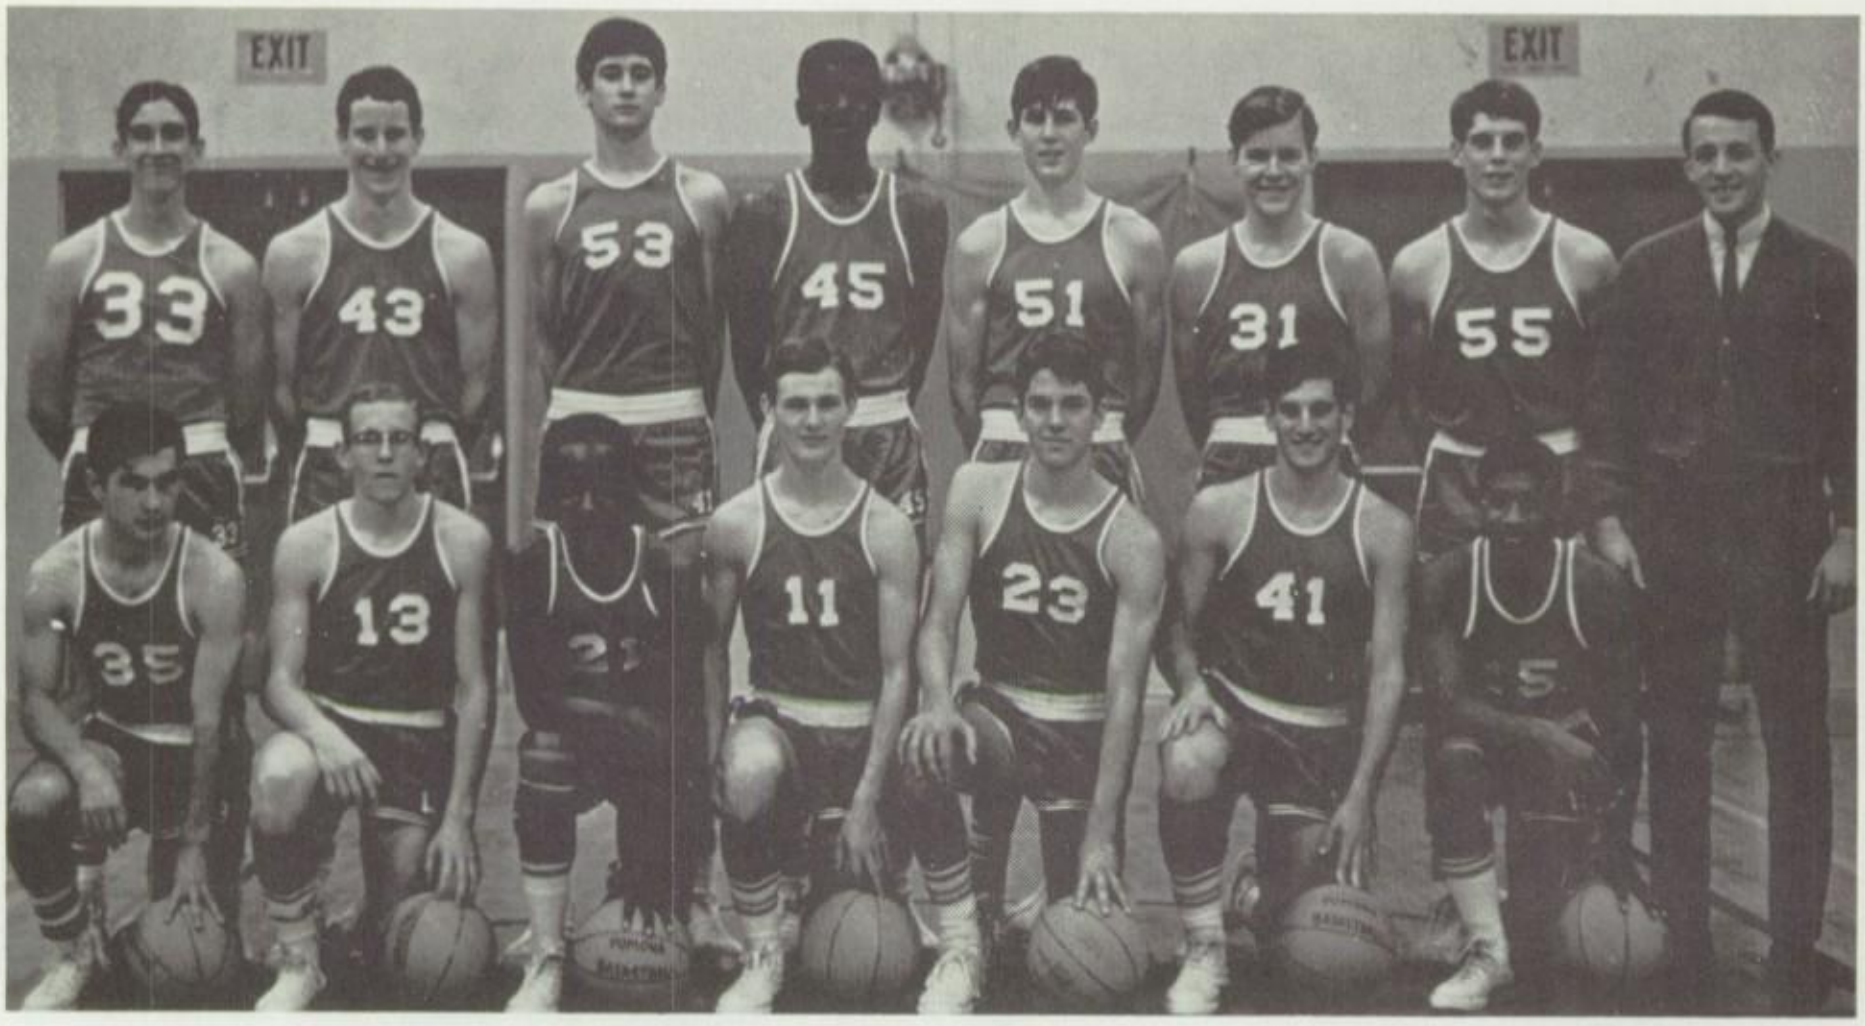
Phillips tries to block opponent's shot

"We've never been in a league that had so much balance," said Coach Jack Oksnee. The Devils ended in fourth place thanks to a strong second round in which they won six of the last eight. Pomona had a 14-12 season (7-7 in SAL) and won honors in the pre-season tournaments.

Dave Law made all-SAL and was voted most valuable player; Steve Lehmann had the best field goal average and was named most improved; John Phillips was high scorer, and Doug Bird had the best free throw percentage.

Ron Stickel, Scott Stillinger and Don Klock were also outstanding for their defense and play-making ability.



(Back row) L. Enterline, M. Lambert, M. Muir, L. Carpenter, G. Billingsley, D. Koopelman, L. Hitchcock, Coach Gary Snyder. (Front) R. Ellis, C. Sancic, J. Hudson, L. Eckl, J. Rainbow, S. Kipper, L. Farmer.

Junior Varsity Cops Second

Although the J.V.'s compiled their best league record in recent years (10-4), they were able to manage only a second-place finish in the SAL. Mike Lambert, who led the team in scoring and just about everything else, was cited by Coach Snyder as the best sophomore prospect to come along in some time.

"What do I do now?" says Koppelman.

Lambert lays up 2.

Bees Victorious In SAL

Coach Bill Baird led his talented Bees to the SAL championship this year with a 13-1 record. They also placed second in the Corona Tourney.

Burnett and Low were the high scorers. Taylor led in rebounding, and Eames and Green were the top floor men.

Low uses his head in rebounding.

Eames looks for a teammate to pass to.

In the third year of wrestling at Pomona, grapplers turned in a disappointing season with two wins against seven losses. Injuries and inexperience plagued the team from the beginning.

Kirk Nickerson led the team in scoring and placed third in SAL competition. Other outstanding wrestlers were Morey Weiss, Del King and Chris Chamness.

Nickerson struggles for take-down.

Unlike the other PHS teams, the gymnastics squad isn't part of S.A.L. It belongs to the Valley Gymnastics League which takes in Duarte, Ganesha, Antelope Valley, and Pomona High Schools.

V. Siler and C. Reed paced the Devils to a 2-1 non-league record. The Devils also won their first league match, a double-dual meet with Duarte and Antelope Valley. The team was comprised mainly of seniors who made this a successful year.

Pomona Again Fielded...

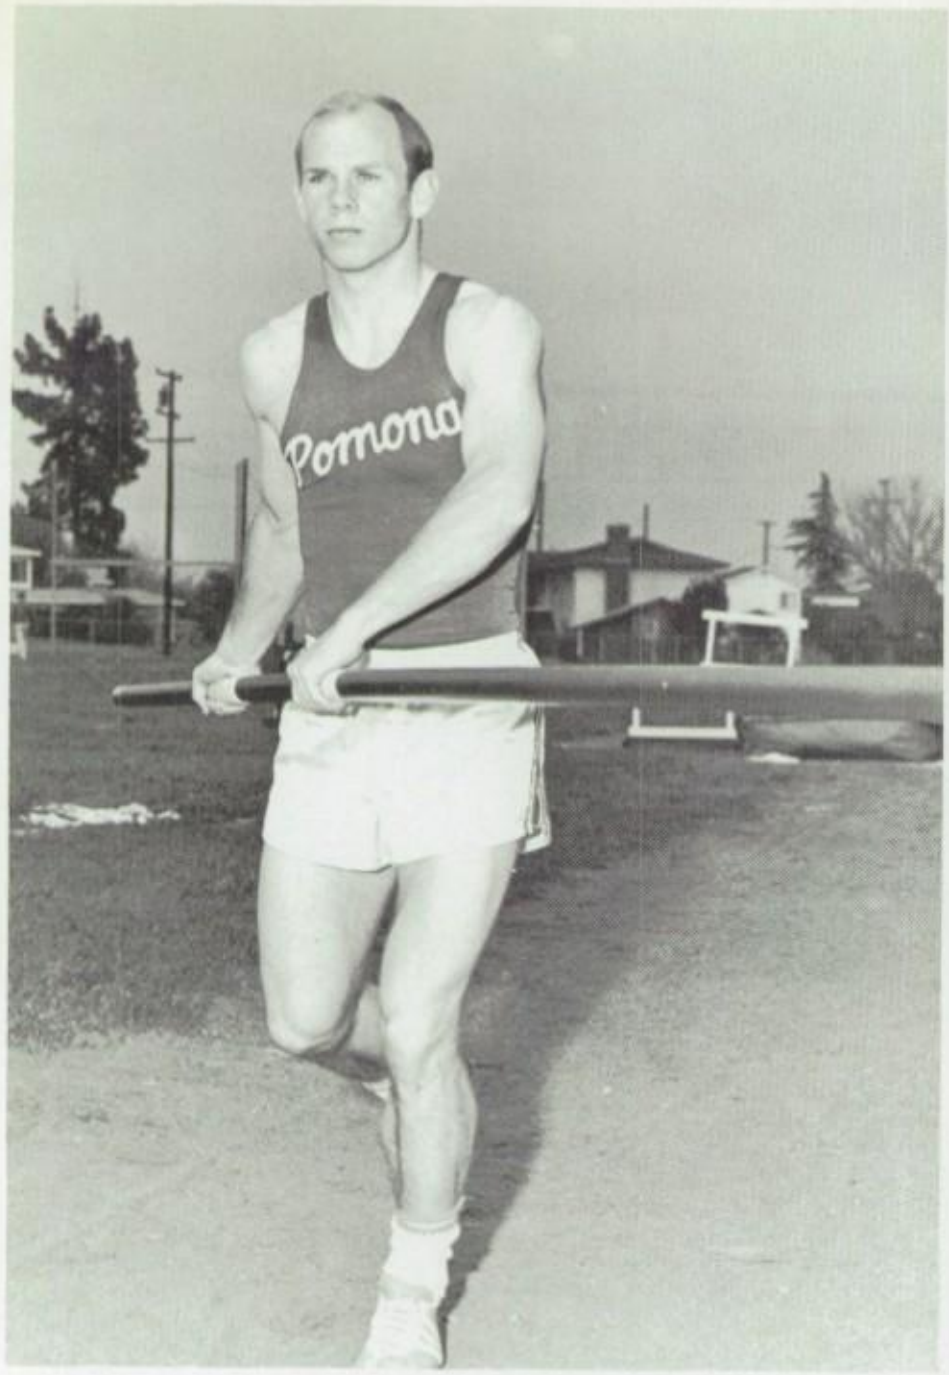
Don Barfield had the "spring" to break long jump records.

This year's track squads, like those of past years, upheld Pomona High's winning reputation by proving virtually invincible.

All divisions were loaded with talent, especially the varsity, which boasted some of the league's outstanding performers. Among these were Scott Stillinger, "a future record holder in the pole vault," according to Coach Green; Mark Low, who Green also predicts will one day set records in the hurdles; Don and Juan Barfield, outstanding in the long jump and high jump, respectively; Charlie Lewis and Jerry Edwards, the league's fastest distance men, and the relay team of Plouff, Hodges, McBurney and Burleson, which rated high in CIF.

Daniels puts everything into shot put effort.

Coaches Don Green and Bill Baird produced another championship track season.



Scott Stillinger is considered a future world record holder by Coach Green.

Managers, too, played a part in the winning season.

Coaches Green and Baird can look forward to another good year in '69 with outstanding competitors coming up from the winning Bee and Cee divisions. Don Green, shot putter, and Mike Cenoz, sprinter and hurdler, are among the top varsity prospects.

On the strength of experienced doubles players Craig Sherreitt and Dave Tyner and returning singles men Dave Erkel, Chet Frethiem and Eric Forbes, Coach Oathur Carpenter was able to build a creditable squad; and since most of these players are juniors, the future looks bright.

SENIORS

The Class of '68. . . individuals who have known each other and attended school together for three years. Our class did not have to wait for the senior year to be "our year." We have had three years which were truly ours. We were a united class throughout high school, working, studying, and socializing. Through our activities, we became the richest class in the history of the new Pomona High, earning $1300, and through our plans and initiative we established new traditions, such as the Groundhog Dance.

My Bestest Friend,

Well another year has passed and our friendship is still as important to me as ever. We are true friends. We have grown through trials and tribulations and happy, new, exciting experiences. I pray our friendship will last forever + ever. I know it will because our friendship contains all the ingredients needed for this lasting friendship. I hope you will find all the happiness you are looking for in life I wish you the best of luck always. When you ever need someone to share your happiness or sorrow you know I am always here.

Love Ya,
